Supplemental Response to January 12, 2006 Office Action

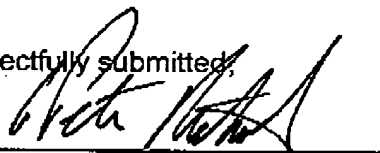

### REMARKS

Applicants acknowledge and appreciate the indication that claims 1-9 are allowed. Subsequent to mailing the initial Response on April 5, 2006, Applicants have learned of a potential infringer and therefore wish to obtain an early allowance of claims 1-9. Therefore, in this Supplemental Response, all the claims that have not been previously indicated as being allowed are now canceled so that a Notice of Allowance can be issued.

With respect to the all the claims that have not been previously indicated as being allowed, Applicants still do not agree with the rejection and reserve the right to pursue those claims in a continuation application.

It is believed that a Notice of Allowance is warranted and Applicants respectfully request a quick issuance of the same. If, for any reason, the Examiner feels that the above amendments and remarks do not put the claims in condition for allowance, the undersigned attorney can be reached at (312) 321-4276 to resolve any remaining issues.

Respectfully submitted,
